

# Sacramento Area Rocketry Group (SARG)

Affiliated with National Association of Rocketry  
**It's not *just* model rockets anymore!**

Newly re-formed rocketry club welcomes all those interested in model and high power rocketry. Come join us and learn about rocketry and have fun! Our club has brand new fliers as well seasoned Level 3 fliers who can help new rocketeers. Join us and learn about a most exciting and educational hobby.

Our launches are conducted in accordance with NAR Safety Code and policies.

Check our website at <http://sargrocket.org>  
for more information including  
meeting times and location
